

AFFIDAVIT OF MICHAEL A. TISIUS

I, Michael A. Tisius, after being duly sworn, declare under penalty of perjury the following to be true and correct to the best of my knowledge and belief:

1. I am over the age of 18 and am fully competent to make this affidavit.
2. I am an inmate housed in Potosi Correctional Center (PCC).
3. From my time in PCC, I know Johnny A. Johnson, who is another inmate housed at PCC. At one time, Johnny and I shared a cell.
4. I have witnessed Johnny harm himself, including removing chunks of skin and sticking needles into his body. I have observed him banging his head against a wall.
5. In my experience with Johnny, he does not manage his hygiene. He doesn't shower and is very dirty.
6. I currently share a cell wall with Johnny. On at least two occasions within the last few weeks, I have heard a repeating banging sound coming from our shared wall. It sounded to me like Johnny was banging something against the wall. I thought at the time he could be banging his head against the wall, because I have seen him do that before.
7. After one recent incident of hearing this sound, prison staff came to Johnny's cell door. They escorted Johnny out of his cell, and when they walked by, I could see that Johnny's head was bleeding. Seeing the blood on his head confirmed to me that the banging sound I had been hearing was Johnny banging his head against the wall.
